## Attendance Matters

**ALL KIDS ALL DAY EVERY DAY**

Chronic absences may lead to **significant learning gaps** for your child. Take an assessment of where your child is halfway through the year.

Please note **three school tardies equals an absence.**

**DID YOU KNOW?**

- It takes an average of **three** days for a student to catch up from every **one** day of being absent.
- Missing **three** or more days of school per month can set a student back up to **two** full years of learning.

**DANGER ZONE**  
7-9 absences this year

**WARNING ZONE**  
4-6 absences this year

**SATISFACTORY ZONE**
