**Daylight Saving Time**  
**DVD-0572**  
**Intermediate, Primary & Kindergarten**

Examine the history and practice of daylight saving time. The British narrator explains how time zones function in relation to earth's orbit and how global time zones begin at the first meridian in Greenwich, England. The program features dozens of clocks, from tiny Swiss clocks to the stately Big Ben and then takes viewers to a charming clockmaker's shop. We learn how Ben Franklin "invented" daylight saving time to conserve energy, and we also find out which U.S. states don't observe daylight savings time.

**Election Day**  
**DVD-1441**  
**Intermediate, Primary & Kindergarten**

Stories, songs, and crafts help young viewers understand the history, meaning, and celebration of Election Day.

**Election Day (America's Special Days)**
