Welcome to Nancy Lopez Elementary! I am so excited to be joining the staff as Principal. Our team of highly dedicated professionals will strive to make your child's elementary school experience successful and rewarding. We believe that education begins with dedicated parents/caregivers. High standards and expectations at home set the tone for positive behavior at school.

Our school mission is a commitment to provide a safe and respectful learning environment fostering high academic achievement and personal growth for all of our students. It is imperative that all visitors sign in at the front office. Please do your best to follow all drop off and pick up procedures for the safety of all our students.

Please be sure to review the RISD Board Policy 5130 - student rights and responsibilities. I am very much looking forward to meeting all of our Nancy Lopez families. With your support I know that every student at NLE will have the foundation to become college and career ready!

Sincerely,

Dolores Ingram

Principal
