

Adobe and the Roswell School District are working together to bring every Adobe product into your classroom!

It's totally free for every student, teacher, staff and faculty member in the RISD!

What are Adobe Software Products used for?

PHOTOGRAPHY

Photoshop

Create gorgeous images, rich graphics, and incredible art.

Photoshop Lightroom

Edit photos from anywhere you are with easy ways to adjust exposure, color, and more.

Photoshop Lightroom Classic

Make your best photos even better with editing tools designed for your desktop.

Photoshop Express

Quickly edit, collage, and retouch photos so they stand out on social and everywhere else.

Photoshop Camera

Amp up your photos with the intelligent camera app that suggests the best lenses and filters for you.

VIDEO

Premiere Pro

Create everything from social clips to feature films with the leading video editor.

After Effects

Easily add titles, transitions, and more to your movies with the visual effects and motion graphics app the pros use.

Audition

Create, mix, and add sound effects to your movies, social posts, and podcasts.

Animate

Design animations for cartoons, banners, games, and the web.

Character Animator

Use your expressions and movements to bring your characters to life in real time.

Media Encoder

Easily encode audio and video in whatever format you need.

AND SO MUCH MORE!

Adobe Fonts

Bold, italic, cursive, or all caps — find the perfect typeface for any project with 20,000+ fonts to explore.

Illustrator

Create beautiful designs, icons, and more — then use them anytime at any size.

InDesign

Create and publish books, digital magazines, eBooks, posters, and interactive PDFs.

Acrobat Pro

Create, edit, sign, and manage your PDFs — quickly, easily, anywhere.

Premiere Pro

Create everything from social clips to feature films with the leading video editor.

Adobe Express

Quickly and easily make standout content from thousands of beautiful templates.

Scroll through the programs, select the ones you want, and download. It's that Easy!

Unlock your students' creative potential with web-based apps.

Adobe web-based apps give millions of students the tools they need to be creative anytime, anywhere. Students of all ages can use Adobe apps to create inspiring content of all kinds, from narrated presentations to visually stunning web pages, videos, and photography. And to help educators integrate these digital tools into their curricula, the Adobe Education Exchange offers lesson plans, tutorials, projects, and more.
