

# INVENTION EDUCATION IN ACTION

“The curriculum was very organized and easy to follow. I love the units and different themes. It was a breath of fresh air, because it **let students explore, be creative** and just **have fun learning**. I have taught for 12 years, and this is one of the **best experiences I've had as a teacher.**”

*-Nicole K., Fifth-grade Teacher, Invention Project Instructor*

## INVENTION PROJECT INCLUDES:

- Step-by-step curriculum
- Online resources to reduce prep time
- Pre- and post-tests
- Rubrics
- Book extension lists
